

Supersprint - Cancelled due to lack of entries making the event financially unviable

Event Date: **June 23, 2019**

Cost: **\$180.00**

Organiser: **BLCC**

With regret this Superprint has been cancelled by the Club Committee for 2019.

Without sufficient entries to make the event practical and at least close to financially viable, it is not in the Club's interests to continue with the event. The decision has therefore been made by the Committee to reluctantly cancel the event.
