

CLUB CHAMPIONSHIP RULES FOR 2024

COMPETITION YEAR

Point scorer email: khamrahan@blcc.com.au

RULE STABILITY:

If a member feels that the rules could be improved, then they may request changes be made. Any such requests must be received at or prior to the September Club meeting, so as to enable Committee consideration, approval and publication in the Blower and on the club website prior to the first event of the competition year.

ELIGIBILITY:

For the Club Championship, all members are eligible regardless of age, gender, or period of membership and entered in each event as a BLCC member.

A member is eligible to compete in the Junior Championship if they were less than 18 years of age on the 1st of January of the competition year.

A member is eligible to compete in the Rookie Of The Year Championship if they have not yet completed their first full BLCC calendar year of competition on the 1st January of the competition year.

EVENTS TO COUNT:

The events included in the Championship, as selected by the Committee, will include all event types run by the Club. For an event to be included, it must be calendared and published in the Blower at least four weeks prior to the event. When an event is rescheduled, this rescheduled event will be included without the need to comply with the four week rule, as long as all entered competitors are notified of the change.

All eligible events will be scored for all competitors.

SCORING:

Points will be allocated in the Club Championship according to position in class for BLCC members, with additional bonus points allocated for Outright positions. Should any two or more drivers finish equal in a class or outright position drivers will be allocated equal points and the next position will not be allocated points.

CLASS POINTS: 10, 7, 5, 4, 3, 2, 1, 1

OUTRIGHT POINTS: 5, 3, 1.

For the Club Championship, the lowest scoring event for each competitor will be dropped from the results. (e.g. If 8 events on calendar only 7 events count.) This may be a round in which the competitor did not compete. Accordingly an event that is cancelled and not rescheduled may not be used/nominated as the round to be dropped for lowest points.

The Rookie Of The Year Championship will be as per the Club Championship.

For the Junior Championship, the **EIGHT** best results will be totalled to give the final score. Juniors who wish to compete in Speed Events must comply with current Motorsport Australia, NSW Sport & Recreation requirements and have Parental consent.
