BATHURST 200 CAR RALLY BATHURST LIGHT CAR CLUB 26TH SEPTEMBER 2015

PRESENTATION NIGHT DATE CHANGE NOW 19-12-2015

TIMEKEEPER/SCORERS TRAINING AND UPGRADE 7 NOVEMBER 2015

PRESIDENT'S REPORT AUGUST 2015

Being a person of few words I will keep this report fairly brief saving some time and paper.

Although I was absent at an event down the coast I am informed that the Khanacross conducted on 2nd August at the Quarry, with guest club Hills District attending, was an outstanding success overall and very professionally conducted by our officials and competitors- those involved are to be commended and we thank the new faces taking on some of the roles/jobs.

In the middle of the month we had the Esses Hillclimb which, although not getting off to a good start, saw an end result of 44 cars competing on the day across 16 classes with some of our newer members attending and commenting on the professional manner of the way our events are conducted. As I understand there are some Dubbo people quite interested in joining BLCC which will be good. The media coverage gave good image and promotion to the event with the TV reporters from WIN and Prime, along with local member Paul Toole, going for a run also with Nigel in the TAFE Holden Ute. A top photo of our Scrutineer and star competitor Matt Windsor in the local free paper was not to be missed along with one of Nigel in the other TAFE car– nice one guys.

At the committee meeting this month we were happy to see 11 new members joining the club and we welcome their new memberships – I apologise for not having a list of names on this occasion.

On another note the CAMS Training session for Scrutineers was well attended and an overall success. Please note that Jeff West is endeavouring to organise a course for Timekeeper/Scorers to skill up those persons interested in that area of competition administration- please keep an eye on the Website and/or speak to Jeff or give me a call and I will follow up for you.

On a sour note the club had some damage caused at the Quarry on Friday night 21st August with some nice individuals (couldn't spell the word I wanted to use) cutting a hole in the fence near the gate and smashing the lock on the gate as well. Quite a neat cut they must have had a battery operated angle grinder. There was no apparent damage to property upon inspection- Rod Simonsen noticed the damage and also did a drive around the grounds.

Scott Sims came down and we were able to do quite a professional repair job. John Markwick is going to seek access to the video footage from the council's wide angle camera that operate on the gate of the Waste Management Station which also have vehicle registration recognition software in operation.

Upcoming events not to be missed are the Motorkhana on Sunday 13th September followed two weeks later on Saturday 26th with the BLCC Rally being organised by John Paine .Please remember both dates and if possible come forward to assist where possible (contact John Paine or Mick Williamson if they have not already contacted you – the rally obviously needs plenty of resources having regards for the area to be covered and every persons assisting makes it easier no matter what job/role is taken on. Every job is an integral part of our success no matter how small it may be – they all have significance (see you there).

Don't forget Tony's Vis Navigation event October 16th called off due to wet conditions.

Take care and drive safe

Mick Tuckey
