# Presidents Report

This being my last report for the Blower I would first like to thank the committee and the members for their support and help during the year. It has been a difficult year with the work being carried out on the mount which has caused interruptions to our events.

I hope everyone will support the new President and his committee. It appears that there will be some new faces and this will bring new ideas to the club which can only be good for the club.

It appears that the 12 hour race has come of age and we will see many more races in the years to come. The international interest is growing and so is the crowd. We were unable to hold the Motorkhana in conjunction with this event due to the sealing of the road in the camping area at the back of the pit but the truth was the whole area was camped out so we would not have been able to use the area any way. Every one that attended reported that they enjoyed the racing.

Terry Nightingale's introduction to racing HQ on the Mount did not quite go as he would have liked. Although he put in some very quick practice and qualifying times mechanical problems prevented them from finishing.

Don't forget if you are not doing anything on the 1 / 2 March we require officials for the State Hillclimb. Please give me a ring 0422 819 896.

We will also require people on Saturday afternoon 22 February to set up the Esses Hillclimb with the usual tyre stacks. Many hands make for light work. Time 1.30pm at the club rooms.

Another person moving up through the ranks of officials is Dave Robinson who will act in the role of Assistant Clerk of Course for the Easter races. Congratulations Dave. While on the subject of officials the club is badly in need of licensed officials to run events. It takes time and experience to get to a position where an official can run events. It has already been determined that some events this year are going to be cancelled due to the lack of these officials. This is now serious and is going to affect club events.

Still talking officials, it won't be long and they will be advertising for officials for the Easter races. Those of us who attended last year had a good time and they do look after their officials.

The people at the Gnoo Blas classic car show have out done themselves again. I don't know where they get the cars from but it just gets bigger each year.

Another event to watch out for is the Bathurst Autofest on the 8 / 9 March. This will be another collection of great cars. There will be Show and Shine & Burnout competition. The first Motorkhana was well attended with 16 entries and several new members having their first run. Robert Dean was the first senior home and Scott Bradley first junior. I hope we will see you all at the Annual General Meeting on the 26 February. There are still several positions to be filled. Come along and have your say in running the club.  
Robert Wells

## **GNOO BLASS REPORT**

A successful display was again undertaken by a strong representation of club members at the annual Gnoo Blass car show. The club had a vast array of cars from historical, street, race to rally cars. Club representatives handed out balloons, club membership forms and calendars, as well as talking to many members of the public about the club and its activities. It would appear that we have at least two serious enquiries about joining the club with at least one person attending the Motorkhana on Sunday to enquire more about the club and joining.

Particular interest was expressed by visitors to the display in Geoff Fry's Jolus historic open wheeler, Martin and Grant's Toranas and Helen's Jaguar and Mini. The Groves family collection of a 69 Mustang, Ford Gt and the Brian Keegan open wheeler were also major attractions. Warren Ridge's XY ford Rally car was another standout. Geoff Sims' "aggie ute" also created some interest with its detailed engine bay.

A huge vote of thanks must go to all involved and to all those who bought cars to our display, with special mention going to Helen Mulholland who as usual put in a major effort scoring the balloons from Repco and Jax Tyres. I'm sure all the members that attended would agree that it was a great day and a chance to catch up with people from the club we don't always get to see. Thanks once again to all.

## **MX5 SUPERSPRINT**

Four Bathurst Light Car Club members contested the MX5 Club Wakefield Park Supersprint with pleasing results.

Tony King (MX5) was the quickest at 1.11.36 finishing 2<sup>nd</sup> in the turbo class and 9<sup>th</sup> outright.

In the non MX5 class Stewart Grigg (Holden Ute) was 2<sup>nd</sup> in class with 1.14.92 ahead of Lance McGrath (Ford Ute) at 1.15.20.

In the standard class Rohan Mathews finished 4<sup>th</sup> in class with a time of 1.19.97

## **Motorkhana 9/2/14**

Sunday the 9/2/14 saw a small but enthusiastic group of competitors turn up for the first Motorkhana of the year. Whilst the usual suspects were there it was pleasing to see several new comers turn up and have a go. Conditions were hot and dusty but all competitors enjoyed themselves and despite the one and only club car meeting its demise with a broken drive shaft all drivers got a chance to compete in five tests. Several of the junior drivers excelled and kept the old hands honest. Chris Baker debuted his new Subaru and seemed to be coming to grips with the new beast by the end of the day.

It was great to see Mal Pollard there and he has threatened to bring a front wheel drive special to the next event, Mal helped with the timing all day and was a big help to Les Groves, who also spent the day timing us and helping set the courses, thanks fellas we really appreciate your help. Thanks must also go to Donna Sims and Robert Flood for being the major officials on the day.

Special thanks must go to Ian Plenderleith who kindly loaned his car to the competitors so they could finish the last test when the club car cried enough and retired hurt.

Thanks must also go to all the people who helped pack up, this certainly helped everyone get out of the heat quicker.

The dummy grid

The outright winner on the day was Robert Dean followed by Alan Paul with Ian Plenderleith in third. First in juniors was David Baker who was the stand out of the event, followed by Chris Baker and Nicholas Reekes. The next Motorkhana will be held on the 23 March 2014.

The club is holding 2 rounds of the State hill climb championship on March 1<sup>st</sup> and 2<sup>nd</sup> and is looking for officials so if members would think about giving the club a hand that would be great, even half a day would be a huge help.

## **BLAIR SEASON OPENER AT WINTON**

Victorian member Blair Fraser spent his Australian day weekend at Winton Motor Raceway contesting the Tampered Motorsport Track Day meeting.

Blair drove his VL Commodore to fifth in class and thirty first outright with a time of 1.44.85 seconds, he was only thirteen seconds off the outright fastest time.

## **LANCE TAKES ON LOTUS**

Lance McGrath (Ford RX8) is off and running in 2014 when he contested round one of the CSCA Supersprint at Wakefield Park run by Club Lotus Australia.

Lance was second in class with a time of 1.15.13 seconds and fifty-fifth outright, only 10.64 seconds off the outright winner.

## **OFFICIALS HOT AT 12 HOUR**

Many of our officials involved with the Liqui Moly Bathurst 12 Hour were feeling the heat with track temperatures over 60c and no relief from the sun all day. Well done to all track, spectator, flag and fire marshals as well as our other members involved in other areas in the pits and around the mountain.

## **TARGA WREST POINT**

Mark Hammond and navigator Gordon Lennox came away from the 2014 Targa Wrest Point Rally with a pleasing result when they recorded a second in class and sixth outright in Late Classic Handicap.

The Hammond/Lennox Jaguar XJS also contested the Targa Wrest Point Classic Outright section and retained their second in class and finished tenth outright overall in classic.

## **NSW HILLCLIMB CHAMPIONSHIP RD 1&2**

Entries for the opening rounds of the 2014 NSW Hillclimb Championship have opened. The championship will start with a "The Esses" hillclimb on Saturday 1st March followed by round 2 on Sunday on the "Mt Straight" course.

Local drivers have been starved of competition on Mt Panorama due to the resurfacing of the entire circuit and the state hillclimb rounds will be the second use of the track after the Liqui Moly 12 Hour. If the Liqui Moly Bathurst 12 Hour is an indication records will fall.

The logo for Bathurst Real Estate is displayed on a yellow background. The word "Bathurst" is in red, and "Real Estate" is in black. A stylized house icon with a red dot above it is positioned above the word "Estate".

## **ROB ROY VHC ROUND 2**

Round 2 of the 2014 Natures Organics Victorian Hillclimb Championship is coming up on Sunday 2nd March.

The Championship sponsor for 2014 is once again Natures Organics, manufacturers of a range of eco-friendly sustainable cleaning and personal care products. Using plant based materials they achieve maximum performance without negatively effecting the environment.

The organisers are proud to have them again as their sponsor for the 2014 Victorian Hillclimb Championship, as they work together to continue our sport into the future.

**2014 Sponsor for NSW Rally Championship**

Following a rigorous Request for Proposal process, the Rally NSW team are very pleased to announce that Gary's Motorsport Tyres has been awarded as the naming rights sponsor for the 2014 NSW Rally Championship. As such, the championship will now be known as the Gary's Motorsport Tyres NSW Rally Championship.

The primary focus is to substantially improve the exposure for the sport so that competitors and event organisers can attract new sponsors to assist with their rallying budgets and give their sponsors a great return on their investment. To achieve this aim Rally NSW have created a media marketing and promotion program right across the competition year that will be managed by contracted professionals to guarantee high quality, consistent results.

Gary's team will attend every round of the Gary's Motorsport Tyres NSW Rally Championship as well as all rounds of the Techworkz Development Rally Series and provide onsite tyre fitting for all competitors. Gary offers the complete range of Dunlop and Hankook rally tyres in a wide range of sizes, compounds and constructions. Something to suit every rally car and all road and weather conditions. His friendly team have years of experience in rallying at this level and are on hand to offer advice about choice of style or compound, ideal pressures or anything else about rally tyres.

We trust that this will be a rewarding and mutually beneficial partnership for everyone and is the key platform in our quest to substantially grow our sport over the next 3 years.

**MARKWICK AT WINTON PULSAR CHALLENGE**

John Markwick travelled to Winton Motor Raceway for a four race round of the Pulsar Challenge coming away with an eighth overall.

John's best result was in race three where he finished seventh but he recorded his fastest time 1.52.65 in the final race.

A total of seventy one points were accumulated and thirty six laps of the central Victorian circuit completed.

**QUARRY REPORT**

John Windsor reported that the khanacross was very successful with 30 entries. The next event is a motorkhana to be held on 9 February with a motorkhana

David Catt asked if the Club had given any further thought to carrying out works at the Quarry in regard to construction of a toilet block and on-site waste disposal. David Robinson advised that transportable toilet blocks can be purchased. This matter to be referred to next Committee meeting

John Windsor advised that the track will be graded before next khanacross.

It was decided that no results would be given out after motorkhana/khanacross events until equipment has been packed away. This would be raised at the drivers briefings and competitors will be asked to help out.

David Catt mentioned that the club cars needed various maintenance work.

**GENERAL BUSINESS**

#### **Electronic notification of AGM and other Correspondence**

Donna Sims enquired if it would be possible for future AGM mailouts to be done electronically due to the amount of paper and time involved in a physical mailout. Kathy Hanrahan and Robert Flood said that they would investigate the Corporations Act to check the legalities of electronic correspondence.

#### **Upgrade of Club computer and software**

Kathy Hanrahan raised the issue of old/non-compatible software and computer which causes difficulties with downloading and editing information for the Blower. She also raised the matter of the laptop software being kept upgraded in line with Club computer. This matter to be referred to next Committee meeting.

#### **Track Licencc**

David Robinson advised that licencing issues relating to blocking off gateways had been resolved. Balhurst Council have been most helpful with this matter, and are donating the Armco fencing, which will be hinged so that it can be left in place.

#### **State Hillclimb**

Mick Tuckey has volunteered for the role of event secretary, which now means that the event can go ahead. Mick advised that he will be working closely with Jeff West. Kathy Hanrahan and Christine Wells will carry out the secretary duties on the day of event as Mick will be away. Officials will be needed on the day.

#### **Gnoc Blas**

Scott Sims advised that Gnoc Blas car show will be held on Saturday 8 February, and that any Club members interested in displaying their cars on the BLCC site needed to contact Helen Mulholland. The Club will pay entry costs for any member wanting to participate in display.

#### **2014 Blower**

Tony Hanrahan requested members provide articles and news for Blower.

#### **RSA Update**

Arthur Davis advised that the liquor licence for the Clubhouse was due for renewal on 31 March. David Robinson advised that more members needed to be trained in RSA so that they could legally work behind the bar.

#### **Participation in 2014 VB Super Car tipping competition**

Kathy Hanrahan enquired if the Club wanted to continue participating in the tipping competition. It was felt that this should be continued.
