Presidents Report

As some members possibly don't know me I had better introduce myself.

I am Gwyn Mulholland and I have been involved with the club for many years. In the past I have been a member of the Committee, Vice President and CAMS Delegate to the State Council.

I have been an active competitor in many levels of motorsport for over 50 years and still compete when time allows.

I have no intentions of making any drastic changes in the running of the club and along with my committee ask that you continue to support the club as competitors and officials. If you have any queries, suggestions or just want to talk my contact info is in the front of the Blower and on the website. I would like to encourage as much member involvement as possible because without that we cannot grow.

The next event to be run on the 23rd will have been run and won when you read this so I guess the next event will be a Khanacross on the 6th April.

I would like to welcome Rod Simonson to the committee as the newest member and thank the rest of my committee for putting their hands up for the year ahead.

To the outgoing President and Committee members thanks for all the hard work that you have put into the Club particularly in light of the past extremely difficult year, I hope it has made our tasks a little easier.
