President Report

First may I congratulate Ron Moore on his finish in 12th place in the ARC class at the World Rally at Coffs Harbour. Well done Ron. Commiserations go to Steven Wells who was running in 11th in the Classic and only 9 Km to go to the finish found one of those trees that grow in the forest. Dave King finished 16 in the Classics in a Mini. This car was a beautifully prepared car. Every one that walked past his pit area stopped to admire the car or take a photo. Dave is to be congratulated on the preparation of the car. We all had a great time in Coffs Harbour, fine and sunny but a bit dusty. There is a rumour that Australia will have a WRC event for the next three years instead of every second.

Some members may not be aware yet but due to Mt Panorama being resurfaced after the V8 Race we will be unable to hold our regular speed weekend this year so instead we will be holding a 2 day event at the motor sport ground on that weekend 30 November and 1 December, One motorkhana and One Khanacross. Watch the web site for more details.

A change has been decided by the committee for the club speed event championship 2014 and onwards. Classes will now be decided by using the CAMS Rules and Regulations for Super Sprints. These can be found on the CAMS web site we will not be reproducing the whole document into our club rules on the web site. So now, as Cams change these rule and regulations, we will adopt the changes.

Members are advised that we now have new residents in the flat and we ask you to remember they are there when coming and going and using the club rooms.

At the last Motorkhana congratulations go to Nicholas Reeks the first junior home and to Robert Dean the outright winner.

All members are reminded that tickets are now available for the 60th Anniversary dinner to be held at Bathurst Panthers Club on the 26 October. Tickets are available from Matthew Windsor, David Robinson, Helen Mulholland and myself. Tickets must be purchased by the 18th October.

I am sure all Members will join me in offering Kathy Hanrahan and her family our condolences on the passing of her mother.

Most members will now have heard of the passing of Des West. Des was a great friend of the club and was the mentor of Peter Brock. The red 48 Holden that Des raced is still in original condition.

Tony held another one of his night triasl a couple of weeks ago which was well attended but there was a big upset. A couple of big time rally professionals came second to a new lady member. My lips are sealed.

Don't forget Tony's BIG full day event on the 3rd November with a tour of the country side with a suitable lunch break. Bring a picnic lunch, try your navigating skills and get lost with the rest of the club members. Highly recommended. Tony sometimes does not quite get the weather right but I am sure he will get it right this time. Could be interesting, a couple of blokes in a blue Cortina will be out for revenge.

At the Wollongong State Hillclimb held recently several club members had some success with Barry Coady winning his class. Doug Barry was second in his Lola and Warren Bossie also finished on the podium.

This months Blower also contains a proposed calendar of events for the club in 2014 and I encourage comments from members.

GENERAL BUSINESS:

- 1. REPORT FROM THE QUARRY:** David Catt spoke to the meeting about the last Khanacross which was held on Sunday, 11th August 2013. David stated that there were 5 official and 1 unofficial runs conducted and there was a good junior member attendance. David informed the meeting how the Motorkhana "area" was used as part of the Khanacross course.

John Windsor asked Rob Wells whether competitors can design the layout of the Khanacross courses on the day or is prior submission and approval from CAMS required. Robert Wells is going to ask Jeffery West about this question and what is required in the suppreg submission process.

John Windsor informed the meeting that the next event at the Quarry is a Motorkhana and is going to be held on the 15th September 2013. John advised the meeting that the Motorkhana ground is in OK condition.

John Windsor enquired about the Khanacross at the Sheep and Cattle Drome which is being organised by the Subaru WRX Club. Robert Wells replied that he has to send the Subaru WRX Club another email regarding the status/information about the event.

- 2. RESPONSIBLE SERVICE OF ALCOHOL (RSA) CERTIFICATES:** John Windsor raised that any RSA post 2007 is now invalid as the rules have changed. A discussion occurred regarding this matter. Arthur Davis advised the meeting that he has received no news/correspondence regarding this matter. Robert Wells is going to raise this matter at the next committee meeting.
- 3. 60TH DINNER** Helen Mulholland informed the meeting that tickets for the dinner will go on sale on the 9th September 2013. The tickets will be available for purchase at Robinson Auto Repairs, Windsors Repco Auto Repair, Robert Wells and Helen Mulholland. Helen Mulholland advised the meeting that some original club members are expressing interest in attending.

Robert Wells notified the meeting that the RSVP for the dinner is Friday, 18th October 2013.

Helen Mulholland informed the meeting that on Saturday (26th October) an afternoon display will be held at the car club. The MG Car Club is going to display examples of pre world war 2 model cars.

John Windsor asked Robert Wells whether it is worth getting the Visitor's Information Centre to sell tickets. Robert Wells answered that he is going to drop off posters for the the event for display and is going to investigate whether the Visitor's Information Centre are willing to sell tickets.

- 4. 2014 STATE RALLY:** Gwyn Mulholland reported to the meeting that the rally is confirmed, however the exact date is pending confirmation of the date of the ARC round. Gwyn informed the meeting that he has proposed the 27th September 2014 to the rally panel with the alternate date of 20th September 2014.

- 5. NSW RALLY PANEL DISCUSSIONS:** Gwyn Mulholland reported to the meeting the following:

- Rally Rego: Full rally rego can be used by CAMS, AASA and AMSAG. The guidelines are set by the Roads and Maritime Services (RMS). Under CAMS, only selected scrutineers (TBA) can do the inspection. This inspection will cost \$150. Additionally to the inspection, the car will have to pass the 'new rolling brake test' (an additional fee of \$50.) In addition the owner has to pay the RMS conditional rego fee of \$54 plus the plate fee if it is a first time issue. John Markwick asked Gwyn Mulholland about usage rules. Gwyn Mulholland replied that the owner will be issued a new CAMS log book in the form of a diary which the owner has to record movements. Gwyn continued and informed the meeting that you can drive the car to rallies and to the mechanics however the RMS has not published the full conditions of the rego. Gwyn enlightened the meeting that a vehicle cannot be driven to a rally if the vehicle is fitted with traction control system however catalytic converters can be removed.

\

- **Scheduled R Cars:** Scheduled R Cars are being considered being allowed to run in CAMS rallies. At the moment Scheduled R Cars can only run in rally sprints.
 - **Development Series:** Discussed the proposed Development Series class structure. The final class structure is TBA.
 - **One Day Events:** One Day Events are being considered with the possibility of pace noting.
 - **Combined Rallies:** CAMS are investigating the possibility of running combined rallies with AMSAG.

- 7. ESSES HILLCLIMB REPORT:** Robert Wells reported to the meeting that everything went well with the Esses Hillclimb that was conducted on Sunday, 25th September 2013. At the moment Robert is unsure about the financial outcome of the event. David Catt commented that it was very good to see the results of the event on the club's website on the same day of the event.

DONN AT QLD RACEWAY AND MORGAN PARK

The Suzuki GTI Club had a "HATCH ATTACK" ½ day at the Queensland Raceway and I was invited along and I think I shocked a lot of these so called racers. May be on Facebook for them, but not on the track.

They used the sprint circuit and I had four runs; (1) 1.04.80 (2) 1.03.57 (3) 1.03.86 (4) 1.02.54, I ran about fourth outright out of twenty five cars. What a blast to knock out the Sydneyiders that came up for the event they thought they had fast cars.

Donn Vidler in action

The Queensland B Series Final was held on 21st and 22nd of November and I had four runs on Saturday; (1) 1.13.40 (2) 1.11.80 and 120.3kph (3) 1.11.70 (4) 1.12.40 and 118.9kph.

I only had one run on Sunday 1.11.50 and 121kph, I had a tappet cover gasket blow out at the camshaft end and deposited oil everywhere so I called it a day.

Overall for the weekend 5th in class out of fourteen and 26th outright out of ninety six. Not bad for a 1300 Brick. Keep it on the black stuff
