## Ho! Ho! Ho! FROM THE EDITOR

Welcome to my thirtieth edition of the Blower, the Club magazine of the Bathurst Light Car Club and Merry Christmas to all.

The last two months of the year are usually very busy and this year was no exception. With Speed Weekend the focus of much of the Club's activity and Presentation night soon after with a Motorkhana and Khanacross in there just for good measure. Not to mention Challenge Bathurst for those who get involved in a life outside the Car Club and the odd rally event to keep life interesting.

Presentation night I must admit was a highlight for many of us with John Windsor making a comeback appearance to a well-deserved standing ovation. I have been able to provide you with a bit of a window into the event thanks to Tony Hanrahan with lots of winners and runners up in a host of categories. The night was an outstanding success with thanks to the organisers and caterers who again provided an outstanding feast.

This edition presents the 2019 calendar of events which is already underway with the 20<sup>th</sup> January 2019 Khanacross already posted to the website. This year's major event will be the Australian Hillclimb Championship and we will need all hands on deck for that one so why not think about putting your hand up in January to get things underway with a bang.

Till next time readers, to you and all your family, may you be safe and have a great time for Christmas and the New Year and thank you for your support in 2018.

Bob Lundie-Jenkins B.A.

### **ATTENTION ALL BLCC CLUB MEMBERS**

Slowly but surely, we are building the list of CAMS qualified Club members and this is really great. But we need more people to put their hands up. If you hold a current CAMS Officials license of any kind, please send your name, CAMS membership number, CAMS license expiry date and specific qualification with the grade to: The BLCC Competition Secretary at [lundieb65@gmail.com](mailto:lundieb65@gmail.com)

The information will assist in the staffing of Club events and development of future Club Officials so please submit your details as soon as possible.

## **PRESIDENTS REPORT – NOVEMBER/DECEMBER 2018**

Another year has now been and almost gone in our world of motor sport and Club activity – some great achievements and/or experiences which are deserved.

The year had some ups and downs however the Club came through with the Annual Presentation Night being a successful evening recognising the efforts and achievements of many individuals. Awards have been listed elsewhere in this Edition, but I particularly acknowledge Robert Dean - 2018 Club Champion, Clubman of The Year Greg Breach, winner of the George Reed Perpetual Trophy was David and Andrew Travis and the Kevin Catt Official of The Year was awarded to Bob Lundie- Jenkins. In recognition of service, commitment and dedication to the club a Life Membership was bestowed upon John Paine.

The evening highlight was the attendance of dedicated member John Windsor and his family attending to be a part of Johns annual presentation of the “John Windsor “Old Farts in Corollas “award” which went to Scott and Geoffrey Sims. John’s attendance helped to make the night an outstanding success. (John’s love of the Club and the microphone made for a very special presentation - thank you John.)

Back on the work scene the Committee are planning a working B at the Quarry in January to get started on upgrades to some facilities such as the timing box and preparing to move forward with additional tracks to expand operations. Your efforts will assist others including new juniors so please get involved. Speak to Mitch Groves please for details.

The Club also needs individuals to think seriously about the required number of officials and qualification of some of those persons to deliver events for the Club throughout 2019. Please consider your capacity to step up and become qualified in a support discipline to expand the Club’s Club Chiefs, Timekeepers and Event Secretaries, etc. to give the “old guys and girls” a break. There are people in the Club to assist with training and it isn’t hard - come see the other side of being a motorsport official and gain some appreciation of what happens in delivering the man and varied events conducted by the Club. A little bit of assistance goes a long way and once involved, I am certain you will enjoy it. Thank you in anticipation.

Please remember the upcoming AGM in February and the management requirements of your Club in terms of Executive and Committee - in 2019 in addition to the Club Committee, we need members for a dedicated Committee to run the Australian Hillclimb Championship round in November on Mount Panorama as well as a smaller group to manage activities at The Quarry.

On behalf of the Club Committee and myself, I wish to thank you all for your support and participation throughout the year and I look forward to seeing you all again next year. We wish you a Merry Christmas and prosperous New Year.

Please think of others and be safe in your travels across the festive season.

## **MINUTES OF GENERAL MEETING OF BATHURST LIGHT CAR CLUB HELD ON WEDNESDAY 28<sup>th</sup> November 2018 AT 7.45PM**

In the absence of the President, the Vice President Ian Plenderleith chaired the meeting.

**ATTENDANCE:** 11 Members as per Attendance Book

**APOLOGIES:** Christine Wells, Robert Wells, Bob Lundie-Jenkins, Tony Hanrahan, Mick Tuckey, Robert Flood, Donna Sims, David Robinson, John Paine, Mitchell & Harrison Hudson, Doug Rowan, Jo & Ron Moore

**CONFIRMATION OF MINUTES FROM PREVIOUS MEETING:**

General Meeting held 31 October 2018

MOVED: Eric Thorpe                      SECONDED: Scott Sims

**MATTERS ARISING FROM MINUTES:**

Nil

**CORRESPONDENCE:**

Nil received from Secretary

MOVED: Scott Sims                      SECONDED: D. Hudson

**TREASURERS REPORT:**

Eric Thorpe presented a printed report in absence of Treasurer. It was moved Trevor Seaman and seconded by Mick Williamson that the report be accepted and approval be given for accounts to be paid.

**QUARRY REPORT:**

Verbal report: both the Motorkhana (Come & Try event) and Khanacross events conducted in November had been successful days with a good roll up of potential members competing in the Motorkhana. The Khanacross proved to be a very dusty day. Members were advised that the Publicity Officer would be liaising with local schools in 2019 to facilitate additional Come & Try Motorkhana's. Kathy Hanrahan noted that the club needed to have some form of tracking as to who had used a One Day Licence, which is a once only use licence, to eliminate any legal issues should an incident occur.

**GENERAL BUSINESS:**

- Guests George & Con spoke re their group wishing to compete in a Flying 1/5 event as they had previously. Both gentlemen acknowledged the difficulties with a few of their group and friends of the group during the last event and assured the meeting that they had addressed those issues. Mick Williamson and Wayne Bowden spoke re the last event's post event difficulties, especially with Police pointing out that BLCC was to conduct several multi day weekends as well as the AHC in 2019 and it was not in BLCC best interest to jeopardise any of our events just for one event. The discussion was moved to Committee for further discussion. A suggested date 18 May which is currently set down for Supersprint.

- Members reminded Presentation Night tickets and metal car badges were available
- Rally Tyres Khanacross – Motion moved Ian Plenderleith, seconded Scott Sims, to allow Rally Tyres on 4WD vehicles at Khanacross for 2019. All in favour, motion Carried.
- AHC Committee discussion took place with Scott Sims, Bob Lundie-Jenkins & Kevin Brazier volunteering. Suggestions to approach the Officials group early to ensure their ability to attend. Members were confident that if main officials were effective the Club could successfully conduct the event as there was positive input from past organisers that, even with their reduced direct participation in a committee, they would be available to help & assist with tasks throughout the year. Item was moved back to Committee for AHC Committee implementation.
- Scott Sims thanked all officials who attended Speed Weekend. With many competing events for members it had been a hard task to have enough officials.
- There was discussion re the late start for the Supersprint which was caused by timing failure to gain signal. Mountain Straight late start was caused by a lack of power in the Council's power box powerpoint in McPhillamy Park.
- Robert Dean seeking advice as to whether his letter to Committee for attendance at next Committee meeting had been read by Committee and the response to his request. He was advised that, at the time of the meeting it was unclear as to how many of the Committee had actually seen the correspondence, as quite a few were away, for any response to be given. Robert was advised he would receive a response as soon as possible.

**THERE BEING NO FURTHER BUSINESS THE MEETING CLOSED AT 8.35PM**

**Ian Plenderleith**

**Vice President**

## **HISTORIC REGISTRATION- ATTENTION ALL OWNERS**

Have you done your bit to comply with Club requirements to retain benefit afforded to you through access to this scheme? If you live within 100 kilometres of Bathurst, have you volunteered in the past 12 months to assist with a BLCC event? If not Speed Weekend is coming up this weekend and we need Officials. Contact Scot Sims, Ian Plenderleith or Eric Thorpe NOW. Your vehicle will not be registered come 1<sup>st</sup> January 2019 if your Club Membership has not been renewed. It is a requirement of historic vehicle registration that you carry a current Club Membership card to prove membership to the Police. Remember the members who perform all the tasks to make a BLCC event happen take Christmas vacations also and are not replaced so please lend a hand.

## **Requests by Members to attend prior to Monthly Committee Meetings.**

To provide for administrative efficiencies in accepting and approving attendance of individuals (not groups) at Monthly Executive Committee Meetings, the Committee require the following:

1. The request to attend is to be submitted 7 days before the meeting. The request is to be emailed to [secretary@blcc.com.au](mailto:secretary@blcc.com.au) not to any one individual.
2. Details of the matter to be discussed must be included at the time of initial request and any written documents to be produced are to be submitted at time of seeking approval to attend - this will enable the Committee members to read, assess and research if need be. It will further allow for the matter to be included on the agenda.
3. Acceptance or otherwise of the request will be provided to the applicant no later than 48 hours prior to the meeting.
4. Those members approved to attend will have their matter dealt with before the Committee meeting commences with a time limit of 10 minutes allocated. A resolution of the issue may not necessarily be forthcoming on the night. Once the matter has been raised and brief discussions held or matter dealt with, the member will be required to leave the meeting to allow for the Committee meeting to begin.

## BLCC 2019 CAR SHOW/SWAP MEET CALENDAR

From Tony Hanrahan

### REMINDER TO ALL QUARRY COMPETITORS

When driving to and from any Club event it is expected that you will do so in accord with ALL road rules and you will cause minimal disturbance to venue neighbours and other road users. Your actions reflect on the reputation of your Car Club so please be safe and behave responsibly.

## **Call for Volunteers**

### **Australia Hill Climb Organisation Committee**

We are looking for more volunteers to expand our AHC Committee to conduct an Australian Hill Climb Championship event over three days in November 2019, are you able to HELP?

The AHC Committee would report to the Club Executive Committee and receive its assistance wherever necessary, however would have autonomy over the process of organising the event. The major responsibilities would be:

- Budget, pricing and obtaining sponsorship
- Organising permits with CAMS, Council and any other parties
- Scheduling of the competition and any associated events required
- Acquiring prizes, trophies and merchandising
- Organising and obtaining officials and volunteers
- Promotion and broadcasting

BLCC has an opportunity to produce and run a fabulous event and really put the Club on the Hillclimb map on the most iconic track in the country. As most of the work is performed before the event, this is an opportunity for competitors to get involved without affecting their entry to the event.

We recognise that we will need the support of a significant number of people and it will require a significant commitment for the Club to pull it off – but the rewards for the Club will also be significant. If you think you can assist in any way now is the time to let us know.

The Club Committee has made the decision to proceed with the event so we **NEED TO HEAR FROM MEMBERS NOW!**

If you are willing to volunteer your time to help produce this event, please email [secretary@blcc.com.au](mailto:secretary@blcc.com.au).

## **WORKING WITH CHILDREN REGISTRATION**

As many would be aware there is an ever increasing pressure in our society to ensure that those most vulnerable are protected at all times and one way of doing that is to obtain a Working with Children registration.

CAMS, the administrative controller of our sport, is moving to have all volunteers registered with them obtain WWC registration and your Club accepts and agrees with the value of this policy, not only to protect children but the volunteers working with children as well.

The process to obtain the registration is cost free and can be done online followed by a very short visit to RMS to finalise after initial registration on-line. All Members are encouraged to obtain the registration and Committee members are available to assist in the process if required. Your assistance in the implementation of this process is appreciated - thanks.

Michael Tuckey

President

### **Car Badges**

After a long process of investigation and manufacture Club Car Badges are now available for sale and the price will amaze you. They are now available for purchase for just **\$32** each via the Club website and from the Club Committee. We can ship them too you for an extra \$8 for postage or they can be picked up from the Car Club during meetings or at events. But be quick, there are only 50 available in the first batch so don't miss out!

## **2018 SPEED WEEKEND**

Story from Editor and pics from Tony Hanrahan

The final tarmac event for the 2018 season was held on Saturday November 24<sup>th</sup> with a Conrod Straight Super Sprint and on Sunday 25<sup>th</sup> November with a Mountain Straight Hillclimb and what a way to finish the year with 84 starters for the Super Sprint and 76 starters for the Hillclimb.

Glenn Pro, in his Toyota Supra Coupe, with a combined 91.71, took the overall win for the weekend with Aiden Hadley in second place on 93.73 in his Nissan 108ST Coupe and in third place, Leigh Costain with a 95.49 in his Subaru WRX.

Competition over the weekend was very close with Harrison Field taking the best overall Junior with a combined best time for the weekend of 113.10, Izak Berrisford in second place

Fraser Blair lifts a wheel at Murray's Corner

with 128.01 and Jack Macleod in almost a photo finish for third with a 128.13.

A problem with the timing gear on Saturday delayed the start of the event however, competitors were still able to undertake five runs of the course which

used a large section of Conrod Straight and down to the Pit Straight finish line.

Fastest time for the Super Sprint came from Aiden Hadley with a 45.46 with Glenn Pro in second with a best run of 46.12 and Tim Weston in his AMG A45 Hatch in third with a best time of 46.76, all very close finishes.

Getting underway on Sunday in the Mountain Straight Hillclimb again proved problematic for officials, this time as a consequence of power problems. However, in true

Tim Weston was third fastest in the Supersprint

Bathurst Light Car Club style, that took nothing away from the racing with four runs up the tricky course completed on the day.

Blitzing the field was the current NSW Hillclimb Champion and former BAR Formula One Designer, Malcolm Oastler in his 2014 OMS 028 monoposto with a 38.03. Glenn Pro posted a very credible 45.59 in second place and Leigh Costain was not far behind in third with a 47.66

Fastest junior on the day in the Hillclimb was Harrison Field with a 55.68, Izak Berrisford was in second with a 63.35 with Blake Simmonds not far away in third with 63.72.

The event was heralded by all competitors as an outstanding success and many new converts to the BLCC events schedule for 2019 were noted. The organisers

were particularly pleased with the number of officials who came forward to enable the event to not only run but be as successful as it was and a big thank you to all.

The Rotary Club of East Bathurst, who support all Car

Club tarmac events, served up steak sandwiches, chips and cool drinks all day and another of our strong supporters Aroma Coffee, were on hand from early morning onwards to keep everyone supplied with great hot coffee. Along with Bathurst Towing, Beneficial Safety providing the medical support and Work

Control Services providing road closures, these are the people that keep our events looking so professional and making them enjoyable for all and safe for competitors.

Sunday was a great test for what is to come in November 2019 with the three

days on Mountain Straight for the Australian Hillclimb Championship which promises to be one of the highlights of the 2019 program.

Blake Simmonds takes overall third best junior for the weekend

## **LIFE MEMBERSHIP**

Life membership of our Club is not given lightly and only presented by exception.

This year's nomination for a Life Membership award is overdue and very well deserved. John Paine became interested in motorsport and particularly Rally Driving as soon as he got his licence and has been a regular competitor in Car Rallies ever since. He has achieved success from Car Club events, through State Championships and National Events and has even tried co-driving on several

occasions with a 2nd Outright in the 2010 Classic Outback Trial. Since retiring, John turned his hand to building a 1982 Mitsubishi Starion and has competed successfully achieving several class wins in the famous Targa Tasmania Rally. John and his wife Maree have now taken over the reins of the Kidney Kar Rally from another BLCC Life Member, Arthur Davis and his skills and capabilities were proven once again in the successful 2018 Rally under his Directorship. John Paine has been an outstanding contributor to the Bathurst Light Car Club over many years and is a deserving recipient of this award.

## **2019 Kidney Kar Rally**

From Ashleigh Waters of KHA

Kidney Health Australia are running their annual Kidney Kar Rally again in 2019 and they need your help.

Every year rally teams travel thousands of kilometres across the beautiful Australian countryside with one ambition - to change the lives of children and young people affected by kidney disease.

The rally is not a race but a test of skills. It is for those who want to have an adventure with mates who crave something different, something memorable, but most importantly, it's for those who want to raise much needed money for kids who do it tough.

Following the traditions of the Australian reliability trials from the 1970's, the Kidney Kar Rally is the best way to enjoy time travelling with fellow rally car lovers through stunning Australian scenery.

Time / Date: Friday 09 August to Saturday 17 August 2019

Location: Port Macquarie to Armidale via Capricorn Coast

Price: From \$275 per vehicle and \$1,200 per person

The Vehicle and Participant entry fees paid on registration cover the cost of delivering the Kidney Kar Rally. That's why we ask participants to fundraise as well, so the funds donated go towards Kidney Kids programs.
