Merry Christmas

FROM THE EDITOR

Welcome to my twentieth edition of the Blower, the monthly magazine of the Bathurst Light Car Club, and a Merry Christmas and Happy New Year to everyone.

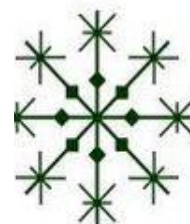

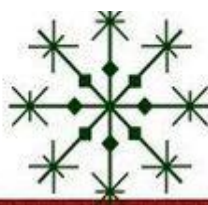

Something a bit different this month with a two for one offer just in time for Christmas. With so much happening and Christmas almost on top of us we have had to cram two months of good stuff into one Edition so you have plenty to read while we take a break.

In this Edition, you will find all the point scores for the year, pics and stories from the Presentation night and a wrap-up of the final events for the year including the Speed Weekend, Motorkhana and Khanacross.

It's now official, Bathurst Light Car Club will be conducting a Timing and Scoring Course in the Club rooms, Conrod Straight on Sunday 18th February so go to the Cams website to enrol now. A Club Chief Course will also be conducted by Cams on Sunday 14th January at Olympic Park. Transport is being organised through Tim Burt so if you are planning to participate let Tim know immediately so you don't miss the bus.

Till next year readers – safe motoring.

Bob Lundie-Jenkins B.A.

ATTENTION ALL BLCC CLUB MEMBERS

A register is being developed of the CAMS qualifications of all Club members and we need your help. If you hold a current CAMS Officials license of any kind please send your name, CAMS membership number, CAMS license expiry date and specific qualification with the grade to: The BLCC Competition Secretary at lundieb65@gmail.com

The information will assist in the staffing of Club events and development of future Club Officials so please submit your details as soon as possible.

PRESIDENTS END OF YEAR REPORT 2017

Another year has been and almost gone. All small issues aside I feel your Club had a good year overall as I haven't had any issues brought to my attention of any note in response to my invitation.

The Speed Weekend, which was our last event for the year, although low in competitor numbers and challenged by having to juggle the foot race on the Sunday morning, ran as usual like a 'well-oiled clock' thanks to our key personnel who seem to peddle twice as hard as others. All assistance is appreciated with every little piece playing an integral role in the big picture - Thank you all. The weather was kind to us although at odds to the forecasts.

I would like to again remind members with an Historic or CVS registered vehicle, to pay memberships before Christmas to ensure vehicles remain legally registered to drive from January 1st onwards. It is between you and the RMS and NOT your Club. Please be aware that writing a cheque for payment is not fulfilling the requirement until the cheque is received and processed – allow some time having regard for the Christmas Break which is why I am suggesting you do it now!

By renewing your membership, you also acknowledge the requirement, as a rule of the Club, that you will contribute to the Club as a volunteer thus giving something back to the Club for the privilege of access to the registration scheme as a member. Your attendance will be monitored and it is your responsibility to ensure that you sign on at events. Any queries please contact myself, David Robinson or Matt Windsor.

The annual Christmas Party and Presentation evening was well attended again this year and a delightful and eventful evening was had by all – a small issue with seating and meal numbers was nothing that could not be sorted by the experts behind the scene. Thank you to the fixer uppers, your help was most appreciated and thank you to members affected for your patience and tolerance as we moved to rectify the problem.

Our Juniors had a good year again with some names continually rising to the top and collectively, they cleaned up. Riley Hargans, Harrison Field, Izak Berrisford, check elsewhere in this edition of the Blower for the full list of competitors and their placings.

Congratulations to all who were recognised on the night along with all the competitors who received trophies in recognition of their success.

Many presentations were made to people from other areas of Club activity and many were most surprised at the level of recognition for their contribution. Sue Dixon was awarded The George Reed Perpetual Trophy and Robert Flood was awarded the Clubman of The Year Award – both recipients were surprised at the awards however, both are deserving winners in recognition of service and efforts above and beyond.

It was terrific to see the reaction from Doug Rowen, who was the first of three new life members recognised on the night and all will agree very deserving of the recognition. After presenting Doug with his Life Membership badge, I deliberately delayed proceedings before announcing the other two Life Membership recipients, Donna and Scott Sims for their outstanding and ongoing contributions to the success of our Club. All three Life Members are most worthy of the high honour recognised by the presentation of Life membership and very deserving members of your Club.

Congratulations to all the award winners and competition winners announced on the night and well done. Thank you all for your contributions to our Club.

At the final Committee meeting of the year, it was decided to retain the existing rules/sup regs for Khanacross events in 2018, with one additional clause to allow suitable 4WD cars to enter and run on rally tyres however, they will not be awarded points toward end of year results. Full details of the supplementary regulations including the new class are printed elsewhere in this Edition of the Blower.

The light weight vehicles that possibly “meet” State Regs and NOT BLCC Regs, will not be running. All cars presenting for the first event in 2018 will either comply without exception or not start – there will be no grace period in 2018. Personal interpretations of the rules expressed in the Sup Regs will be just that, Club Scrutineers have the first and last say on this matter.

Don't forget the first General meeting of members next year will be at 7.30pm on Wednesday 31st January with the AGM a month later – please pay your memberships to enable you to vote and be mindful of who you might like to ask to carry the Club forward if you think any change is required. Be there either way please.

Thank you personally to all our Committee members and other supporting position holders for a wonderful job in trying times and for ongoing commitment to our cause.

Thank you to all members and competitors for your support to the Club as a whole - without your support the Club/your Club would/will suffer.

I wish you one and all, a very Merry Christmas and Happy New Year.

Travel safe – Happy Motoring

FINAL MOTORKHANA FOR 2017

By the Editor

It may have been the last for the year but the November Motorkhana didn't disappoint for the competitors who braved the heat. Taking out the Junior points was Harrison Field with a best time scored in his second run of 28.91 and that time was also good enough to give him second overall.

Izak Berrisford was not far behind Harrison on a best time of 31.59 scored in his second run on course one.

Lucy Field came in third with a very commendable 32.28 scored in the first run on course two. Lucy of course also claimed the points for the best female competitor.

Overall winner was Stephen Muggleton with a 28.68 scored in his first run of the day with the rise in temperature obviously impacting on his times for other runs. Third place overall was Warwick Agustin with a very creditable 29.25 scored in his second run on the first course.

Unfortunately, competitor numbers were down for the final event of the year however, good points towards the Club Championship were much appreciated by the winners.

CHRISTMAS

CAR CLUB CAR BADGE INTEREST SURVEY

Over the past month a reasonable number of members have indicated that they would be interested in purchasing badges and we are slowly getting the message out there that we need to have approximately 50 on order before it is financially feasible to proceed. So, we have decided to run the offer again this month. If you are interested in the Club producing a Bathurst Light Car Club Car Badge if they were available then we need to hear from you. Badges will need to be ordered quickly however, a minimum quantity will be required to obtain the \$45 price.

The badge will be approximately 75mm x 80mm in a substantial metal with Club details in enamel on the front and the badge will be designed to be mounted.

Before we proceed with the idea we need to determine **YOUR** interest in the idea. Please get back to the Editor of this Blower with your details.

Future Requirements for Members using Historic Type Registration Scheme

The subject of Members joining the Club simply/solely to utilise our access to the various Historic Type Registration Schemes without contributing to the Club, either as a competitor in some form or volunteering as an official to assist with the various events throughout the calendar year, was highlighted and spoken about at a recent General Meeting.

As a consequence, the Club Committee, at a meeting on 13th September, discussed the issue and took the decision to require those existing members and new members to take steps to meet those requirements to retain/obtain the privilege afforded through the scheme.

Accordingly, with effect from the date of this notice (23/9/2017), members using the scheme will now be required to volunteer (without being chased up) to assist at 1 Club event (Competition) as an official or as a competitor each year, to be eligible for continued access to privileges of the Scheme through BLCC. This will mean that by the end of 2018, the above requirements will need to be met for continued use of scheme beyond 31st December 2018. At this point (i.e. end of

2017) it might see some members who are not wishing to assist choose to move to another Club – that is regretted, however it must be a two way street.

It may be the case where the Club has a small number of members living outside/beyond a 100 klm radius who will find it difficult to comply – accordingly in those instances, and those only, will need to be assessed individually with discretion for approval not to comply with the Committee where fitting.

New membership applications/inquiries will be vetted to include acknowledgement of this requirement. It is not considered too much to ask members to contribute to the Club in return for benefits afforded to them.

FIRST ROB WORBOYS TRIAL

By Tony Hanrahan

The first Rob Worboys Memorial Trial for 2018 will be held on January 14th 2018 starting at the Bathurst Light Car Club clubrooms, lunch at Oberon and then returning to the clubrooms via the scenic route.

The lunch stop will allow you time to picnic or buy your lunch and try and explain where you missed a turn, missed a question, saw a fellow member going the other way or how you are going to clear the remaining stages.

The trial series is a social event which this year will be run on sealed roads.

SPEED WEEKEND WAS A BLAST

Story by the Editor Pics tony Hanrahan

The 25th and 26th November rolled in with 84 entries in total for the Super Sprint and Mountain Straight Hillclimb events and the weather was perfect for both.

Saturday morning saw the area behind the main pit garages on Mount Panorama alive with drivers, officials and cars of all makes and models, lined up for final paperwork checks and scrutineering.

Distinctive amongst the rumble of v8 Falcons and Torana's, was the subtle almost secret rumble coming from deep inside the carbon fibre curves of the 2017 McLaren 720 S coupe of David Callaghan. This beast was to later demonstrate to everyone what can be achieved with a lot of money and a great

deal of engineering, but first thing in the morning, it just looked beautiful.

Competition got underway at 9.30am with competitors split into three run groups.

Taken to the top of Conrod Straight by Clerk of Course Dave Robinson and Assistant Clerk of Course Wayne Bowden, they turn around through the Car Club and line up two abreast at the start line. With the timing system all primed and ready, a green light sends them

charging down the fastest stretch of race track in Australia before swinging into the Chase and on to Murray's Corner and the finish line on Pit Straight.

Competitors came from all over the central West, from Victoria, ACT, SA and from across NSW entered in 22 different categories defined by size of powerplant, modifications and drive system. While 74 entries were received for the Super Sprint, only 72 made it to the start line and many of those experienced mechanical problems that would see them drop down the order and for some, put paid to their chances of backing up for the Hillclimb in the morning.

From the Officials point of view, a relatively incident free day was welcomed by all, despite some very impressive times being recorded by competitors.

The Maclaren of course shattered the timing sheets with a best time of 43.17 in the third run of the day, with second on the day going to the 1968 Ford Falcon GT of Steven Parashis with a best time of 46.78 on his fourth run after missing the second run for some mechanical adjustments. Steven went on to compete

the following day in the Mountain Straight Hillclimb and for his efforts took the Speed Weekend Overall Winner's Trophy.

Third overall was Tim Weston in his 2014 turbo-charged AMG A45

Hatchback with a best time of 47.4 in his fifth run of the day.

A special mention should be made here of the efforts of Steven King, a long-time supporter of Bathurst Light Car Club events on Mount Panorama. Steven was able to complete just three runs down Conrod Straight before he unfortunately

snapped an axle in his Uberkart Reaper putting paid to further participation, not only in the Super Sprint, but the Sunday Hillclimb which is his speciality in the ground hugging speed machine. Despite the untimely demise of the Reaper, Steven finished a very credible sixth overall with a best time of 48.24 which is very fast when your backside is just millimetres from the race track.

Steven King (Uberkart Reaper)

Dave Williams (Holden SSV Ute)

In fourth place overall was the enigmatic Dave "Willy" Williams in his Holden SSV VE Redline Commodore Ute 666. Dave's best run was his second with a 47.94 but he completed all seven runs to win his Class by more than two seconds.

A couple of our junior

drivers were entered in this year's Super Sprint and they both handled themselves very well indeed. Harrison Field in his 1999 Suzuki GTI finished in 64th position with a best time of 60.33 and Izak Beresford posted a time of 64.37 in his Mazda RX8 non turbo.

Izak Berrisford (Mazda RX8)

The morning of Sunday 26th November, Mount Panorama was a crowded place as the sounds of high powered machines echoed from the top joined with the sound of pounding feet and heavy breathing as more than 500 enthusiastic

competitors ran a lap of the famous race track prior to the start of the Mountain Straight Hillclimb.

Drivers, spectators and Officials stood and watch the

pain on the faces of many of the runners as they climbed the tortuous mountain. Once they had passed the McPhillamy Park Pits and the track was declared clear and ready for racing, the first group of the 58 competitors entered in the Hillclimb was led down the mountain to the start line above Mountain Straight Gate.

By the end of the day after four runs, Aden Hadley in his Nissan 180 SX emerged the fastest overall with a best time of 48.55 secured on his third and last run as his motor expired soon after the finish line. Second was again the big noise and big performance Ford GT of Steven Parashis with a best

time of 49.76, more than a second slower than Aden but good enough to give him the overall win for the weekend.

In third place overall was the AMG A45 of Tim Weston with a best time of 49.96 scored on his fourth run of the day for a very successful weekend of racing.

Harrison Field (Suzuki GTi)

Once again the juniors did well with Harrison Field coming in at 49th with a best time of 62.82 and Izak Berrisford just one place behind in 50th with a time of 63.28.

At the conclusion of the two days it was generally agreed by all that the event was an outstanding success and capped off a great year of competition on track.
