Applying to register a Conditionally registered vehicle

Vehicle Registration

You must go to the motor registry or you may send someone else to register the vehicle in your name, but you must fill in the Representative's Authority on this page. Whoever goes to the Motor Registry must take:

- proof of identity
- evidence of vehicle roadworthiness
- an original receipt for the vehicle, which clearly shows your name, the seller's name, address and signature and the date of acquisition.
- evidence of concession eligibility (if applicable)

If the vehicle has been registered before you must also bring:

- evidence of the vehicle's previous registration
- number plates or declaration.

Proof of Identity (POI)

When you attend the motor registry, you need to show proof of identity (POI). You can use your current RTA issued NSW driver photo licence or one which expired within the last 2 years.

A brochure listing other acceptable POI documents is available from motor registries, by calling the RTA Contact Centre on 13 22 13 or by visiting the RTA website at www.rta.nsw.gov.au. NRS 1300 555 727 or relayservice.com.au. Your POI documents must be originals and must include your signature and residential address.

Corporations are required to provide evidence of incorporation. This can be any one of the following:

- Certificate of Registration with Australian Company Number (ACN);
- A current Extract of the Company, with ACN;
- Certificate of Registration on Change of Name with ACN;
- A printed extract from the Australian Securities Investment Commission (ASIC) website with ACN;
- Certificate of Incorporation issued by the NSW Office of Fair Trading;
- Certificate of Registration of a Foreign Company, with Australian Registered Body Number (ARBN) for companies incorporated overseas.

Government authorities or organisations incorporated under legislation must provide on letterhead the name of the Act under which they are incorporated.

Registration Term

You may register your vehicle for 3 months, 12 months or until an expiry date of your choice. Thereafter, registration can only be renewed for 3 or 12 months.

If the vehicle comes from a licensed motor dealer:

The dealer will tell you what you need to do. Most dealers are authorised to check your identification on behalf of the RTA. Show proof of your identity to the dealer.

Vehicle Identification

You must enter the vehicle's VIN, chassis or serial number in the Vehicle Identification section on page 3. If the vehicle does not have an identification number, you will need to get it identified. Please contact the RTA Contact Centre on 13 22 13 for information.

Conditions

Certain conditions will automatically be applied to your vehicle depending on the nominated use. Other conditions may be applied if required. The Registry Services Officer will discuss this when you register the vehicle.

For a list of mandatory operating conditions applicable to a conditionally registered vehicle, go to www.rta.nsw.gov.au under 'conditional registration vehicle sheets' or contact the RTA Technical Enquiries line on 1300 137 302.

Pensioner Concessions

A pensioner concession is available for a conditionally registered vehicle provided that you are not already claiming a concession on any other vehicle registered in your name. This concession entitles you to a free registration fee only. Pensioner eligibility must be verified electronically with Centrelink.

Farm vehicles

Vehicles such as agricultural motor cycles, all terrain vehicles and items of plant that are used solely for farming purposes may receive a reduced Compulsory Third Party insurance premium. You will be asked to complete section one of the primary producer declaration or Declaration of Eligibility for a Registration Concession.

Historic vehicles

To be eligible for conditional registration, historic motor vehicles must be 30 years of age or older as from the year of manufacture. As the registered operator of the vehicle, you must be a member of an RTA recognised Historic Vehicle Club. You will be asked to provide proof of Club membership.

Street Rods

To be eligible for conditional registration, Street Rods must be pre 1949 model vehicles with four-wheeled hydraulic brakes that normally have a full running chassis. As the registered operator you must be a member of a Club recognised by the NSW Street Rod Committee.

Representative's Authority

Complete this to authorise another person to register a vehicle in your name. However, if you are not already recorded on the RTA's computer system, you must attend the registry in person and provide Proof of Identity.

I declare that the person named below is my authorised representative.
